

Ballot for IMM450Y: Research Project in Immunology (2017-18)

Surname: _____ Given Name: _____

Student Number: _____ UofT Email: _____

Current POSTs (list all): _____

Other courses to be taken in 2017-18:

Required

- A short statement of interest (~250 words) describing why you want to take this course and what you expect to learn from it
- Complete UofT academic history from SWS (printout or screenshot)

Applications are submitted as one PDF document to undergraduate.immunology@utoronto.ca.

Qualified candidates will be interviewed in order to match them to suitable supervisors.

NB: This course requires a minimum of 7 hours per week of supervised work in the laboratory.

The final grade will be based on the supervisor's assessment (70%), a short seminar presentation (10%) and a written report of your work (20%).

Further information can be obtained from **Lauren Parkes**
(undergraduate.immunology@utoronto.ca)

Application deadline: 4:30pm on Friday, June 2, 2017.
